

Riverview School

Dear Riverview Community,

The excitement and positive messages of support we have received since announcing our acquisition of the Twin Brooks Golf Course has been remarkable, and we are so lucky to be able to take this monumental step towards investing in the future of Riverview and our community.

We wanted to share the following newspaper article from the Cape Cod Times and radio spot from CAI, the NPR Station for the Cape and Islands regarding the announcement made on Tuesday.

**Cape Cod Times
Article**

**CAI Radio
Article**

We are looking forward to future conversations and planning and will continue to keep you informed as we progress through the next phases of this project.

Stewart Miller, Head of School
Riverview School
